Just some of the comments made by teachers who came to last year's Klaro – denn Deutsch macht Laune!

The presenters are great – full of energy but not over the top. Fantastic activities. Good visual input.

Brilliant, as always.

Excellent presentations. Students fully engaged.

Informative, engaging, interesting.

Well organised and presented. Lots of students were able to get involved, which kept everyone motivated.

Lots of interaction and lots of different activities. Great to have a whole day for German.
